

Name	City	Comment
Waunita Naidoo	Tongaat	"I am Waunita Naidoo"
Embla Holm	Johannesburg	"I believe that everyone should have a voice and be allowed to speak up about issues in South Africa, caused by our corrupt & useless government!"
Yumna Allie	Cape Town	"I support this cause"
Pops Rampersad	Durban	"As the Chairperson of the Active Citizens Movement, we have been campaigning for legislation to be change to support & protect courageous whistleblowers. To this end we made a submission to the State Capture Commission"
Ben Van Heerden	Benoni	"I have been a medical doctor since 1979. I trained in an Apartheid seperated traing hospital, but I have experienced the most wonderful care to patients of all races. I was so excited by the change brought by the 1994 elections and thought then that everything will just further improve from then onwards. Today I am retired and all that I am wittnessing is a deepening decline in public health services and the state of the country as a whole. This is very depressing."
Len Konar	Johannesburg	"I'm aware of the need for appropriate and functioning health systems to serve the majority who cannot access private health care."
Bharuth Seetharam	Durban	"As the patient's advocate I have a moral and ethical duty to protect patient's rights. Where Healthcare is compromised in any form by the state or any other Healthcare facility ethics demands that we bring this to the attention of all concerned."
Ivan Simmers	Cape Town	"Health care is a right."
Zaemah Robinson	Cape Town	"I support healthcare for all."
Fazil Cassim	Johannesburg	"It is extremely disappointing that the Healthcare system has deteriorated to the extent that we wish for the segregated health care of the Apartheid Government... I remember the hospitals of yesteryear where patients were more likely to live then to die!"
Ashok CHANDIKA	Durban	"I'm a HCW & I identify with Dr Maayer"
Truida Prekel	cape town	"Whistle-blowers in all areas in SA are important - but in healthcare they are even more essential, because the errors, maladministration and neglect of the kind that occurs in Healthcare in several provinces is a matter of life and death."
Ravindaren Moopen	Centurion	"I support health workers"
Verushka Memdutt	Durban	"When civil liberties and basic rights are trampled upon we need to unite and defend our "whistleblowers". At the Right2Know Campaign we strive to protect the interests of those with integrity."
Rynier Keet	Cape Town	"If we do not put pressure on government, things will only get worse. It also creates awareness"
Ngokoans Khomo	Pretoria	"I agree fully with the reasons 4 the petit"
Devan Pillay	Durban	"The Provincial authorities must stop intimidating and harassing those who have chosen to work in our State facilities and offer their services to the masses and the poors of our country."
Sacha Moonsammy	Johannesburg	"I'm signing because good healthcare is a basic human right and not a privilege. Healthcare workers provide so much based on goodwill and should feel valued, safe and respected in their places of work."
Pravienna Naidoo	Johannesburg	"The state of our public health care facilities and services require urgent redress and it's critical to support our frontline health care workers in their endeavors in this regard."

Active Citizens Movement ACM		"The Active Citizens Movement endorses this petition because of our deteriorating public health infrastructure. We consider Dr De Maayer to be a whistleblower. To this end we have been campaigning for legislation to be changed to support & protect courageous whistleblowers, and we have made a submission to the State Capture Commission"
Errol Holland	Johannesburg	"ThiezThe current disastrous state our poorest of the poor are is NOT the state. we all dreamt of and for which many made their supreme sacrifice for"
Aubrey Veeran	Durban	"Inefficiency cannot be allowed to continue to the detriment of all health workers, Drs and patients. Remove incapable people."
Peter Maluleka	Germiston	"We are a democratic state and government must listen when challenges are exposed.Hands off patriotic citizens who care about the state of our country."
DEVANAND NANA	Benoni	"Inefficiencies in the current health system needs to be exposed without fear of victimization of any healthcare personal."
Gary John Vlok	cape town	"Am against tyranny and rackets like this."
Sathie Moodley	Durban	"Public health needs a revamp so people can excess the facilities easily with less time spent in the queues. Turn around average time must be not more than 4 hours."
Natheem Hendricks	Johannesburg	"Government fails to provide the required health care society expect from a caring state."
Bongani Mthembu	Johannesburg	"every member of society has the right to submit a dissatisfaction on our primary health system, doctor and nurses should be protected against government bosses who are bullying them at the expends of community health."
Elza Wilson	Durban	"I agree with the objective to do their job as set out for healthcare workers"
Shobana Mandraj Singh	Durban	"What services can be provided in the confines of health hazards?"
Marcus Toerien	Johannesburg	"I'm a whistleblower fighting in the Labour Court to hold my employer to account."
Liza Christianse	Kempton Park	"I support all health workers that are honest enough to speak out.."
Nora Ramsden	DURBAN	"Health care professionals are part of the solution so need our support"
Marjorie Jobson	Johannesburg	"I am a health worker who is extremely worried about the impacts of the deterioration of public health services on those who are completely reliant on them."
Rajeshwar Maharaj	Durban	"I agree"
Caylin Solomon	Bloemfontein	"Brutal honesty is more important than a reputation based on misrepresentation. Being aware of the problem is the first step towards developing a solution"
Gedzu Mathivha	Pretoria	"Because it is undermining all healthcare."
Savy Reddy	Johannesburg	"We have had more than enough of incompetent,unprofessional people holding top posts they get because of people they know/Cadre deployment .It's the reason we find many institutions collapsing BUT these people continue with their "fat" salaries they DONT deserve. Hardworking n dedicated professionals MUST speak out about the ROT !!!"

Mariam Cassimjee	Pietermaritzburg	"Transparency when systems & supplies for the delivery of healthcare fail, is crucial. Healthcare professionals need to speak out without intimidation about situations failing the public!"
shyamila Sreekissoon	PMB	"I strongly agree with the goals of the I Am movement and as a Healthcare Worker support this movement totallyDr.S.Sreekissoon"
Diane Klein	Cape Town	"I support all the health workers who remember the Hypocratic oath, and live by it...."
Lynda Boyce	Johannesburg	"I support the concerns of the "I AM" movement and raise my voice for urgent and immediate investigation into the deterioration of South Africa's Health system, in order to effect urgent change. We must pull the deterioration up short and reverse the damage."
Manilal Roopa	Pretoria	"Health professionals deliver vital life saving services unlike beurocratic officials with huge ego's"
Linda Kieck	Hoedspruit	"I support this right"
Deenadayalan Govender		"The state of our public health is terrible."
masoodah mohamed	durban	"Public Healthcare in South Africa is a grave human rights violation."
Ewa Skowronska	Cape Town	"Healthcare workers should be empower to their best job and patients deserve quality care."
Mary Kawonga	Johannesburg	"I care"
Peter Foster	Johannesburg	"I agree with your motion"
Annette Botha	Durban	"Corruption and Incompetance And ANC MUST FALL"
Indira Pachai	Moncton	"Support health care workers"
George Murray	Bloemfontein	"Goverment silence and incompetence causes patient suffering"
JosephDiedericks Diedericks	Cape Town	"I support the movement"
Judith Krog	Pietermaritzburg	"We need to have a voice against injustice"
adrian bosman	Capetown	"I definitely support this movement."
Rashid Patel		"I align myself to Healthcare that provides dignity and if Healthcare workers have not been recognised as integral this defies dignity"
SANDY Moodley	Pretoria	"I fully support this movement"
Jeff Manthlakga	Johannesburg	"Fully in support, our health system is totally broken and over burden while our health professionals are over worked"
Khanyisile Mmutsi	Johannesburg	"I support Health workers"
Leoné Jephtha	Cape Town	"I am a health care worker.."
Cheryl Kahn	Roodepoort	"I am against anyone silent for speaking up when things are wrong. New born babies children & the sick are unable to speak up, so anyone speaking needs our support. God Bless"
prudence Zanele Buthelezi M	Nelspruit	"I want to see changes in our health structure and full support to HCP"
Janet Christmas	Durban	"I am signing because it is our democratic right to speak out, without being intimidated. I am in agreement with this partition"
Nontethelelo Zama	Vryheid	"This " I am" drive its very important to each and every individual. Health care service must carter for all"
Ann Sims	Townsville	"Because it is line with the core ethics of Medical Professionals having taken.the Hippoctaticlc Oath"
Olugboyega Akingbohungebe	Mthatha	"I support justice and fairplay, no healthcare practitioner has to be victimized for exposing the rot at the workplace."

Marcelle Persens	Cape Town	"This needs to end where we are not allowed to voice our opinions, patients are suffering due to this poorly managed health care system. It is much better in the Western Cape but we can do much better"
Sandy Pridgeon	Vanderbijlpark	"Signing because schemes which transfer member benefits to scheme's administrator by imposed alternate reimbursement model (ARM) and unilateral agreement, mean members pay out of pocket for Administrator's share of their benefits. Identified flaws not corrected at 10 years indicates a loophole in the controls in place which are meant to protect consumers."
Tshiamo Maponya	Johannesburg	"I am a health professional and I care"
Dawie Jacobs	polokwane	"Be course it's time same one speak out"
Linda Smuts	Giyani	"I'm tired of having to work in a sick health system"
Alta Grib	Pretoria	"I sign because ouer healthcare system is down the drain. And we need to speak up."
Eileen Coetzee	Johannesburg	"Every human being has a right to professional health care, leave our people alone"
Mmagauta Molefe	Krugersdorp	"I'm signing because of the horrible decline of our public health, also becaus health workers deserve better conditions. Government needs to shape up, health issues need better attention."
Yvonne Kotze	Tzaneen	"SA needs health workers helping the people and because it's a calling to them - not for personal gain."
sarena baxter	london	"I feel sympathy for the plight of health workers and patients who are being negatively affected"
Elizabeth Ramaoka	Pretoria	"Yes there is a lot of intimidation and unfair treatment towards them"
